William,

I am writing this e-mail to request an extension for our SWD permit No.1250 for the Federal "27" No. 2 that is due to expire on 10-25-11. Fasken Oil and Ranch, Ltd. may be doing more work in this area in the next year and would need to utilize an SWD well. I have answered some questions below regarding the extension of this permit.

Nothing has changed in the ½ mile Area of review. No new wells have been drilled and all of the ownership remains the same.

Operator Name - Fasken Oil and Ranch, Ltd.

OGRID – 151416

Rule 5.9 Status - Fasken Oil and Ranch, Ltd. was not listed as an operator who is subject to the part 5.9 rule.

Operator Address and e-mail – 303 West Wall St., Ste. 1800, Midland, TX 79701; use [kimt@forl.com](mailto:kimt@forl.com) for the e-mail address.

API Number – 30-025-29400

Legal description of the well – 560' FSL & 660' FEL, Section 27, T18S, R33E

Fasken Oil and Ranch, Ltd. requests a one year extension.

Disposal Permit number & date issued – Administrative Order SWD-1250 and it was issued on 10-25-2010.

I have attached a copy of the SWD permit.

No sundry notices have been submitted as of yet for the work to convert this well to an SWD well.

Please call me at 432-687-1777 or e-mail me if you should need more information.

Thanks for your help concerning this matter.
