Hand Delivered

Michael E. Stogner  
Oil Conservation Division  
1220 South St. Francis Drive  
Santa Fe, New Mexico 87505

Dear Mr. Stogner:

Pursuant to Division Rule 104.F.(2), Devon Energy Production Company, L.P. ("Devon") applies for administrative approval of an unorthodox oil well location for the following well, in both the San Andres formation (South Red Lake Queen-Grayburg-San Andres Pool) and Glorieta/Yeso formations (Northeast Red Lake Glorieta-Yeso Pool):

<u>Well:</u>	Eagle 33P Federal Well No. 16
<u>Location:</u>	1090 feet FSL & 330 feet FEL
<u>Well Unit:</u>	SE $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 33, Township 17 South, Range 27 East, N.M.P.M., Eddy County, New Mexico

Both the South Red Lake Queen-Grayburg-San Andres Pool and the Northeast Red Lake Glorieta-Yeso Pool are developed on statewide spacing rules. A Form C-102 is attached as Exhibit A.

The application is based on engineering and topographic reasons. Attached as Exhibit B is a well plat of Glorieta-Yeso wells drilled by Devon in the immediate area. Devon has an ongoing program to develop the Glorieta-Yeso by drilling two wells in each quarter-quarter section, in a northeast-southwest pattern. Wells are being placed in the northeast and southwest corners of each well unit to maximize the distance between the wells. In fact, Devon soon plans on drilling the Eagle 33P Federal Well No. 15 (to test the San Andres formation and Glorieta/Yeso formations) at a location 330 feet FSL and 890 feet FEL of Section 33 (see Exhibit C).

Devon planned to place the proposed well at an orthodox location approximately 990 feet FSL and 330 feet FEL of Section 33, but due

to a road and pipelines at the preferred location, the well had to be moved north of an orthodox location (see Exhibit A).

Attached as Exhibit D is a land plat, highlighting the well unit, and attached as Exhibit E is a listing of leases and interest owners. The offset owners in the NE $\frac{1}{4}$ SE $\frac{1}{4}$  of Section 33 and the W $\frac{1}{2}$ SW $\frac{1}{4}$  of Section 34 were notified of this application, as shown by Exhibit F.

In addition, applicant requests simultaneous dedication approval as follows:

(a) in the San Andres formation, with the Eagle 33P Federal Well Nos. 13, 14, and 15; and

(b) in the Glorieta/Yeso formations, with the Eagle 33P Federal Well No. 15.

Please call me if you need any further information on this matter.

Very truly yours,

James Bruce

**CERTIFIED MAIL - RETURN RECEIPT REQUESTED**

To: Persons on Exhibit 1

Ladies and gentlemen:

Enclosed is a copy of an application, filed with the New Mexico Oil Conservation Division by Devon Energy Production Company, L.P., requesting administrative approval of an unorthodox oil well location in the SE $\frac{1}{4}$ SE $\frac{1}{4}$  of Section 33, Township 17 South, Range 27 East, N.M.P.M., Eddy County, New Mexico. You are an offset interest owner. If you object to the well's location, you must notify the Division in writing no later than Monday, March 7, 2005 (1220 South St. Francis Drive, Santa Fe, New Mexico 87505; attention: Michael E. Stogner). Failure to object will preclude you from contesting this matter at a later date.

Very truly yours,

  
James Bruce

Attorney for Devon Energy  
Production Company, L.P.
