Request for Unorthodox Location

Dear David Brooks:

ConocoPhillips Company respectfully request an unorthodox location exception to drill the Emerald Federal #12. The well is located 259' from the north line of the 40-acre unit letter I, of Section 17, Township 17S, Range 32 E, Lea County NM. During the onsite inspection with the BLM, this location was found to be the only suitable position due to potential sand dune lizard habitat that would allow us to reach our targeted production zone. ConocoPhillips is 100% lessee and 100% working interest owner of the Emerald federal lease. The granting of this exception will prevent waste and minimize surface disturbance of habitat deemed critical by the BLM.

Sincerely,

Subject: Emerald Fed. #12 and Ruby Federal ##1, 2 and 6 NSL applications

Dear Mr. Maiorino

Each of your letter states that ConocoPhillips is 100% working interest owner of the Emerald or Ruby federal lease, but does not indicate what lands those leases embrace.

What we need to know is if ConocoPhillips is 100% working interest owner of the Yeso rights in the offsetting unit to the proposed location. That would be

Emerald Fed. #12	SE/4 NE/4 Unit H 17-17S-32E
Ruby Fed. #1	SE/4 SE/4 Unit P 17-17S-32E
Ruby Fed #2	NW/4 SE/4 (Unit J) and SE/4 SW/4 (Unit K) 17-17S-32E
Ruby Fed #6	NW/4 SW/4 (Unit L) 17-17S-32E and NE/4 SE/4 and SE/4 SE/4 (Units I and P) 18-17S-

32E

Also, I seem to recall from our phone conversation that there were two Emerald applications, and that I could not find one initially, but found it while we were speaking. Unfortunately, I can now find only the applications listed above. If there is another, please email me a copy.

Thanks

Yes that is correct, we are the 100% working interest owner of the Yeso rights in offsetting units to the the proposed locations on your email.

There was only one Emerald, the #12. I believe that it was the Ruby #1 and #2 that got stuck together when we talked last. One emerald and the 3 rubies.

Is there anything you need from my end? Please let me know if there are any other questions or if I need to send in any supplements to these applications.

Thank you for your help!
