Dear Ms. Jones:

The New Mexico Oil Conservation Division (OCD) has reviewed your request for extension of the submittal of the corrective actions report for the Remediation Plan (1R427-288) for the above-referenced site. The OCD hereby approves the request for extension of the submittal until **Monday, January 14, 2013**.

Please be advised that OCD approval of this extension does not relieve the owner/operator of responsibility should operations pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the owner/operator of responsibility for compliance with any OCD, federal, state, or local laws and/or regulations.

If you have any questions regarding this matter, please contact me at 505-476-3489.

**Subject:** EME C-8 vent (1R427-288) Report of the Corrective Actions - Extension Request

Mr. Hansen,

RICE Operating Company (ROC) respectfully requests an extension to complete the EME C-8 vent (1R427-288) corrective actions approved by the NMOCD on October 17, 2011. ROC is waiting to receive a right of entry from BLM as such, ROC requests an extension to complete the approved work and submit a report to the NMOCD. Once the right of entry is obtained and the corrective actions are completed, a CAP Report will be submitted to the NMOCD. If you have any questions or require any additional information, please contact Hack Conder at (575)631-6432.

Thank you.
