Mike and Johnny:

Good morning.

The New Mexico Oil Conservation Division (OCD) appreciates the opportunity to review the RCRA Liability Coverage, Closure and Post-Closure Care Costs mandate under the Environmental Protection Agency with operator desired potential applicability to the current Water Quality Control Commission (WQCC) Well Bond (Financial Assurance) held by the OCD; however, the OCD has determined that it requires the existing bond to satisfy its WQCC Financial Assurance requirement(s).

Please contact Mr. David Brooks at (505) 476-3450 if you have questions. Thank you.
