Bridges State #165  
North Vacuum Abo &  
Vacuum Middle Penn Fields  
Lea County, New Mexico**

Dear Pete:

Mobil Exploration & Producing U.S. Inc. as agent for Mobil Producing TX & NM Inc., hereby requests your approval for downhole commingling on the subject wells. The following information is furnished:

<u>Lease Name/Well Number</u>	<u>Zone Commingled</u>
North Vacuum Abo Unit #165 Bridges State #165	

\*\* Approved on August 2, 1994 for Downhole Commingling under order DHC 1022

In support of this application, please find attached:

1. Location plat
2. Data sheet for both zones (Exhibit A)
3. Computation of relative values for hydrocarbons (Exhibit B) with additional economics shown
4. Present and proposed wellbore sketches
5. Assignment of allowables to zones--Order DHC-1022

The subject well is currently a dual completion with down-hole commingling pending a future workover.
