Dear Ms. Lyon:

This office is in receipt of your application letter of November 16, 1994, wherein you have requested our approval to downhole commingle the production from the above subject well.

It is our understanding that production from the subject well will be allocated as follows:

<u>POOL</u>	<u>ALLOCATION</u>	
	OIL	GAS
Vacuum-Abo	51%	33%
Vacuum-Middle Penn	49%	67%

Since ownership is common throughout, and there will be no loss of revenue to the State of New Mexico's beneficiaries from your proposed operation, the Commissioner of Public Lands, this date approves your request. Our approval is given with the understanding that the Commissioner of Public Lands reserves the right to amend or withdraw his approval should this operation prove to be unprofitable to the State at any time in the future. Our approval is subject to like approval by the New Mexico Oil Conservation Division.
