*Re: Additional Data Required*

Dear Mr. Hawkins,

When reviewing your application to downhole commingle production on the M.N. Galt "B" Well No.1R, it was unclear how bottomhole pressures were ascertained. Please submit addition data illustrating these calculations.

Further processing of the application will be expedited once this information is received.

If I may be of assistance, please do not hesitate to call.

Very truly yours,

Benjamin E. Stone
