Re: Downhole Commingling Exception  
New Mexico "S" State Well No. 13  
Lot 2, Section 2, T22S, R37E  
Administrative Order DHC-1060  
Drinkard/Tubb Oil & Gas Pools  
Lea County, New Mexico

Dear Mr. Bates:

This office is in receipt of your application letter of January 18, 1995, wherein you have requested our approval to downhole commingle the Drinkard/Tubb oil & gas pools production from the above subject well.

It is our understanding that production from the subject well will be allocated as follows:

<u>POOL</u>	<u>ALLOCATION</u>	
	<u>Oil</u>	<u>Gas</u>
Drinkard Pool	50%	41%
Tubb Pool	50%	59%

Since ownership is common throughout, and there will be no loss of revenue to the State of New Mexico's beneficiaries from your proposed operation, the Commissioner of Public Lands, this date approves your request. Our approval is given with the understanding that the Commissioner of Public Lands reserves the right to amend or withdraw his approval should this operation prove to be unprofitable to the State at any time in the future. Our approval is subject to like approval by the New Mexico Oil Conservation Division.
