*Happy New Year Richard!*

*I have returned to work and wondered if you can give me a status update on the Surface Commingle Order PC-1250. You needed a signed list stating that the properties were 100%. I apologize for any miss-communication on this project. At the time I started to ask you why we needed a C-107-B since the ownership was 100%, so next time I will be move clear with my request.*

*I have attached the approval, and the signed land statement and then if you will let me know if you need anything else so we can commingle the Strawn gas with the new Cross Bones wells.*

*Thank you,*
