 San Juan County, New Mexico

Dear Ms. Staley:

Our approval letter dated March 21, 1996, for downhole commingle had a typographic error in the table showing the fixed percentage allocation for each formation. The fixed percentage for allocated production for each formation has been determined as follows:

FORMATION	GAS PRODUCTION	OIL PRODUCTION
Aztec Pictured Cliffs	5%	5%
Blanco Mesaverde	95%	95%

We apologize for any inconvenience this may have caused you.

If you have further questions regarding this matter, please contact Brian W. Davis at (505) 599-6367 or (505) 599-8900.

Sincerely,

/s/ Duane Spence
