I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

Lupe,

Yes. That will probably be the simplest way to handle it. The C-141 will be approved as an Initial and Final Report. Jean is out right now, so it may be a few days before it gets processed.

Lupe,

You can resubmit if you want, or, I can make a notation on this C-141 and attach this correspondence when it goes to imaging. Either way will work for me. I will hold on to this one until you get back and I hear from you.

Thanks,

Mike Bratcher

Mike,

I submitted a C-141 Initial-Final for the Mucho Luck BBW Fed Com #2H on 4/1/13. I made a mistake on the form and listed the site ranking as a 20 when it should have been a 10. Do I need to resubmit a corrected version? I'll be out of the office tomorrow, but I will be back on Wednesday. Please let me know how I need to proceed.

Thanks!

Lupe

Mr. Amos,

Attached is a copy of the C-141 Initial-Final submitted to OCD. Please feel free to contact me with any questions.

Thanks!
