**ADMINISTRATIVE OFF-LEASE MEASUREMENT ORDER**

**Administrative Order OLM-76**  
**Application Reference No. pAXK1315457040**

July 2, 2013

Encana Oil & Gas (USA) Inc.  
Attention: Ms. Holly Hill

Encana Oil & Gas (USA) Inc. (OGRID 282327) is hereby authorized to measure oil, gas and condensate production off-lease from the following well, producing from the Basin; Mancos Gas Pool (97232) in San Juan County, New Mexico:

Good Times L 10-24 10 Well No. 1H (API No. 30-045-35442), Unit L, Section 10, T-24N, R-10W.

The gas production from this well shall be measured through an allocation meter at the wellhead in Unit L of Section 10 (which is off-lease from the perspective of the lease from which the product is produced from Section 9), and at Enterprise Products Partners' custody transfer meter in Unit D, Section 10, Township 24 North, Range 10 West, NMPM, in San Juan, New Mexico. Oil and condensate production will be measured and stored at, and sold from, the wellhead in Unit L of Section 10.

**The surface commingling of oil, gas or condensate with production from other pools or lease is NOT authorized.**

The operator shall notify the Aztec district office of the Division before commencement of Off-Lease Measurement.

The approval is subject to like approval by the United States Bureau of Land Management.

A handwritten signature in black ink, appearing to read "Jami Bailey".
