Describe Area Affected and Cleanup Action Taken.*
The line was isolated and prepped for repairs.

I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

**RE: Form C-141 Report for Enterprise Field Services
Donaldson Lateral Release**

Dear Sir:

Pursuant to 18(19,15.29) NMAC please find enclosed the requisite C-141 Form for the release on our Donaldson Lateral gathering line in Eddy County. This was an unintended release due to a small hole in the pipe-wall.

If you have any questions or need more information, please contact Jim Heap, Field Environmental Representative, by phone at 432-686-5404, by email at jkheap@eprod.com or me at 713-318-6684.

Regards,

Matthew E. Marra
Senior Director, Environmental
