I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

**RE: Form C-141 Report (corrected)
Trunk Line C Gathering Line Release**

Mr. Bratcher

Enclosed, please find the requisite C-141 Form for the unplanned release on our Trunk Line C gathering line in Eddy County on June 19, 2013. This is sent pursuant to 29 (19.15.29) NMAC and as follow-up to verbal notification made to you by phone on, June 20, 2013.

If you have any questions or need more information, please contact Jim Heap by phone at 432-686-5404, by email at jkheap@eprod.com or me at 713-318-6684

Regards,

Matthew E. Marra,
Senior Director, Environmental
