Describe Area Affected and Cleanup Action Taken.* <i>All gas was lost to atmosphere.</i>		
I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

**RE: Form C-141 Report of Gas Loss, Box Canyon Gathering Line
Enterprise Products LLC**

Mr. Bratcher:

Pursuant to 29 (19.15.29) NMAC, Enterprise Products LLC is submitting the required C-141 Form for an 819 MCF release from our Gathering Tie-in lines at Box Canyon 4 and Box Canyon 5 due to hydrate build-up in those lines. Verbal notification was made to your office on February 17, 2012.

If you have any questions or need additional information, please contact our area field representative, Jim Heap, at 432-696-5404 (jkheap@eprod.com) or me directly at 713-381-6684.

Yours truly,

Matthew E. Marra
Sr. Director - Environmental
