I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

Good Morning Mike,

Attached you will find our initial report for the Jackson A 2 tank Battery spill on 12/5/13. I apologize for the delay but I am just getting back into the office today after being iced in here in Fort Worth since Friday.

I will submit the final report once I receive all the information from the field.

Thank you,

Leslie M. Garvis
