Subject: COG Operating - Dodd Federal #128 (wellsite) - Remediation Notification

Mike and Jeffery,

Tetra Tech is preparing to start the soil remediation on the above referenced site. We will be spotting lines on Tuesday (5-7-13) at the facility and starting the proposed remediation in the afternoon. The remediation will be performed according to the approved work plan. Tetra Tech will also notify you during each phase of the remediation project. We will call if the schedule changes or have any delays on the project. Let me know if you need additional information, thanks
