Describe Area Affected and Cleanup Action Taken.\*  
*The line was isolated and prepared for repairs.*

I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

**RE: Form C-141 Report for Enterprise Field Services LLC  
Releases on Carlsbad Area Gathering Lines**

Mr. Bratcher

Enclosed, please find the requisite C-141 Forms for the unplanned releases on our Eddy County gathering lines between February 13 and February 14, 2014. The releases were a combination of pipeline corrosion failure and hydrate blockage relief. This is sent pursuant to 29 (19.15.29) NMAC and as follow-up to verbal notifications made to your office by phone on February 15, 2014.

If you have any questions or need more information, please contact Jim Heap by phone at 432-686-5404, by email at [jkheap@eprod.com](mailto:jkheap@eprod.com) or me at 713-318-6684

Regards,

Jon E. Fields  
Director, Field Environmental
