Subject: Bolack B #5 Allocation Change

----- Message Contents -----

Bolack B #5
Sec 31 T27N-R8W
Blanco Mesaverde and Basin Dakota
San Juan County, NM

Hi Ben,

This note is to let you know that the BLM has requested that we use the subtraction method on this well extrapolating the Dakota zone. We had recommended a percentage allocation for the well. As we discussed, please reflect this change in the NMOC order if you agree. We will submit the future production extrapolations to the Aztec District office upon commingling of this well. If you have questions, please give me a call at 303-830-5344.

Thanks again,

Pam Staley
