RE: Affidavit of Mailing
Offset Operators
Fullerton Federal #6E
Kutz Field
San Juan County, New Mexico

Dear Mr. Catanach:

Enclosed, for your files, please find original Affidavit of Mailing and copies of Notification to Offset Operators of the intent to commingle the Gallup and Dakota formations in the above referenced well.

Should you require additional information please contact Mr. Alan Merrill or Mr. Bob Schwering at (303) 863-1555.

Sincerely,

A handwritten signature in cursive script that reads "Deborah A. Geary".

RE: Notice of Intent to Commingle
Kutz Area Sec. 11-T27N-R11W
San Juan County, New Mexico

Dear Offset Operators:

You do not hold an interest in the Fullerton Federal #6E Well located 790' FWL, 1850' FNL Section 11, Township 27 North - Range 11 West, however, as an operator of production from an offset spacing unit for Dakota production, we are hereby advising you, pursuant to the State of New Mexico Oil Conservation Division regulations, that it is our intent to commingle production from the Gallup (5815' - 5834') formation with the Dakota formation (6370' - 6394').

Should you have any objections you should file such statements with the commission within 30 days. If you have any questions please feel free to contact us.

Yours truly,

David R. Spelman

RE: Notice of Intent to Commingle
Kutz Area Sec. 11-T27N-R11W
San Juan County, New Mexico

Dear Offset Operators:

Although you hold an interest in the Fullerton Federal #6E Well located 790' FWL, 1850' FNL Section 11, Township 27 North - Range 11 West, you are also an operator of production from an offset spacing unit for Dakota production, and as such, we are hereby advising you, pursuant to the State of New Mexico Oil Conservation Division regulations, that it is our intent to commingle production from the Gallup (5815' - 5834') formation with the Dakota formation (6370' - 6394').

Should you have any objections you should file such statements with the commission within 30 days. If you have any questions please feel free to contact us.
