Re: Application for Downhole Commingling  
New Mexico "S" State Well No. 36  
Unit B, Section 2-22S-37E  
Blinebry Oil & Gas and Wantz-Abo Pools  
Lea County, New Mexico

Dear Mr. Correa:

The New Mexico Oil Conservation Division has advised this office that Exxon Company U.S.A. has applied to downhole commingle the production from the New Mexico "S" State Well No. 36. Exxon proposes to commingle the production from the Blinebry Oil & Gas Pool with production from the Wantz-Abo Gas Pool.

Pursuant to State Land Office Rule No. 1.053, 1.054 and 1.055, please submit an application to this office for our approval together with the data recommended on the attached commingling pre-application form. The filing fee for a commingling application is \$30.00.

If you have any questions, or if we may be of further help, please contact Pete Martinez at (505) 827-5791.

Very truly yours,

RAY POWELL, M.S., D.V.M.  
COMMISSIONER OF PUBLIC LANDS

Re: Downhole Commingling Application  
New Mexico "S" State No. 36

Dear Mr. Correa:

Reference is made to your Form C-107-A dated February 18, 1997, which the Division received on June 23, 1997. I am returning your application for the following reasons:

Item Nos. 9, 10 and 14 are not complete.

Please complete the above-described items and re-submit your application. I especially need to know how you arrived at your proposed allocation of production and what data was utilized in determining production forecasts for the Blinebry zone.

If you have any questions, please contact me at (505) 827-8184.

Sincerely,

David Catanach  
Engineer
