**Re: Application of Matador Production Company for administrative approval of unorthodox well location for its Dr. K 24-23S-27E RB #203H well located in the S/2 of Section 24, Township 23 South, Range 27 East, N.M.P.M., Eddy County, New Mexico.**

Dear Mr. Catanach:

Matador Production Company (OGRID No. 228937) seeks administrative approval of an unorthodox well location for its Dr. K 24-23S-27E RB #203H well (API number pending) to be completed within the Forehand Ranch, Wolfcamp (Gas) pool (Pool Code 76780) underlying the S/2 of Section 24, Township 23S, Range, 27E, Eddy County, New Mexico. Attached as **Exhibit A** is C-102 for the well. This is a horizontal well that will be drilled as follows:

**Dr. K 24-23S-27E RB #203H**

- Surface Hole Location in Section 23: 2153 feet from the South line and 330 feet from the East line of Section 23;
- First Perforation Point in Section 24: 2310 feet from the South line and 330 feet from the West line of Section 24;
- Last Perforation Point in Section 24: 2310 feet from the South line and 330 feet from the East line of Section 24; and
- Bottom Hole Location in Section 24: 2310 feet from the South line and 240 feet from the East line of Section 24.

Matador Production Company is requesting this NSL in order to efficiently produce its interests in Section 24. This well is producing from the Forehand Ranch, Wolfcamp (Gas) pool (Pool Code 76780). There are no

www.modrall.com

special pool rules for this pool, and thus the setback requirements under Rule 19.15.15.10(B) of 660' apply. As a result, the completed intervals for this well are closer than 660' from the boundary of the project areas. The unorthodox location will encroach towards the N/2 of Section 24. Matador is the operator in both the N/2 and S/2 of Section 24, and owns 100% of the working interests in Section 24. The well will also encroach towards the adjoining spacing units in Section 23, Township 23 South, Range 27 East and Section 19, Township 23 South, Range 28 East. **Exhibit B** is list showing the surrounding ownership and the project area for the proposed Dr. K 24-23S-27E RB #203H well in relation to adjoining units.

**Exhibit C** is a list of the parties affected by the encroachment. Each of these parties have been provided notice of this application by certified mail, return receipt requested, advising them that if they have any objection to this well, it must be filed with the New Mexico Oil Conservation Division within 20 days of the mailing of this notice. In addition, a copy of this application has also been provided to the New Mexico State Land Office.

Your attention to this matter is appreciated.

Sincerely,

Jennifer L. Bradfute
