Describe Cause of Problem and Remedial Action Taken.\*

Crude oil overflowed from a tank truck while driver was loading the truck from the LACT unit. The LACT unit was turned off upon discovery of the spill preventing more oil from being spilled. The root cause is being investigated.

Describe Area Affected and Cleanup Action Taken.\*

67 barrels of crude oil were spilled onto the site, and all spilled material remained on the site. 44 barrels were recovered via vacuum truck. The impacted area has been barricaded to prevent traffic over the area. LPC is working with the pad owner to coordinate remediation.

I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCID rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCID marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCID acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

**Attachments:** 15-11-12 - Initial Notification and Report - LPC Spill on 11-11-15.pdf

Mr. Bratcher and Ms. Tucker,

Please accept this email and the attached C-141 as confirmation of initial notification and initial spill report for a 67 bbl spill (44 recovered) by LPC Crude Oil Marketing, LLC that occurred in Eddy County at N 32° 09' 9.41"; W 103° 43' 38.37" on 11/11/15 at 10:30 PM. This spill from the transport truck occurred on a Devon pad (Cotton Draw 172H) and did not leave the site. A vacuum truck was able to recover 44 bbl of spilled crude oil.

This is the first notification and report of this nature that I've had to make, so if there is any additional information that you need or that I haven't included in the C-141, please contact me so I can provide this information to you. I appreciate your patience as I learn this process.

If I can be of further assistance, please contact on my cell phone (225-313-1338) any time.

Regards,
