Produced water and oil was recovered. Tank battery is lined and has some caliche on the surface. Area will be scraped.

I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

**Attachments:** 2015.12.14 PB C141\_Smtd.pdf

Shelly/Heather,

To follow up on the voice mails that I left on Saturday 12/12/15, attached you will find the initial C-141 for the release at the Partition Tank Battery. We anticipate the cleanup will be completed by the end of the week.

Please let me know if you have any questions or need any additional information.

Thank you,

**LESLIE M. GARVIS**
