Mr. Cortez,

The New Mexico Oil Conservation Division District 2 Office (OCD) is in receipt of an initial report Form C-141 reporting a release of produced fluids at the above referenced location. The release reportedly occurred on or about June 22, 2009. Please submit a corrective action work plan proposal (plan) for remediation and/or removal of contaminants that may be present at this site. The plan is to be formulated based on **vertical and horizontal delineation** of contamination, site ranking, and OCD rules, regulations and guidelines.

A publication is available to you on the OCD website to aid in formulation of this plan. The publication may be found as follows:

<http://www.emnrd.state.nm.us/ocd>

Click on each of the following items as they appear:

- Publications
- Environmental Handbook
- Miscellaneous Guidelines
- Remediation of Leaks, Spills and Releases

Please submit this plan to the OCD District 2 Office not later than **October 16, 2009**. Please include any remedial or clean up actions that have been already performed to mitigate impact from this release.

Clean up/remediation requirements may be subject to other federal, state, local laws and/or regulations.

If you have any questions or concerns, please contact me.

Sincerely,

*Mike Bratcher*Mike Bratcher
