Michael McMillan  
Oil Conservation Division  
1220 South St. Francis Drive  
Santa Fe, New Mexico 87505

Dear Mr. McMillan:

Kaiser-Francis Oil Company applies for approval of an unorthodox oil well location for the following well:

<u>Well:</u>	South Bell Lake Unit 6 2BSS Well No. 1H
<u>Surface location:</u>	2240 feet FSL & 375 feet FEL §6-24S-34E
<u>First take point:</u>	2688 feet FSL & 1700 feet FEL §6-24S-34E
<u>Last take point:</u>	330 feet FNL & 1700 feet FEL §31-23S-34E
<u>Well unit (project area):</u>	W½E½ of Section 31-23S-34E, and Lot 2 (NW¼NE¼) and SW¼NE¼ of Section <del>5-24S-34E</del> , Lea County, New Mexico, containing 240.00 acres

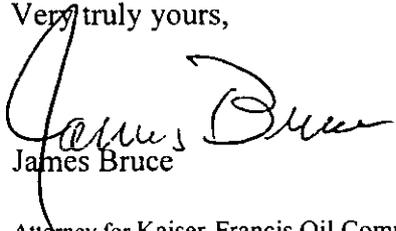

The well will be drilled to a depth sufficient to test the Bone Spring formation (West Antelope Ridge-Bone Spring Pool). The pool is spaced on statewide rules, with 40 acre spacing and wells to be located no closer than 330 feet to a quarter-quarter section line. A Form C-102 is attached as **Exhibit A**.

The unorthodox location is requested to maximize the productive length of the wellbore.

The well unit is wholly within the nine section South Bell Lake Unit. **Exhibit B**. All interest owners in the unit area are committed to the unit, so ownership is common in the well unit and all offsetting acreage. As a result, there is no adversely affected party, and notice has not been given to anyone.

Please contact me if you need any further information on this application.

Very truly yours,

A handwritten signature in cursive script, appearing to read "James Bruce". The signature is written in black ink and is positioned above the printed name.

James Bruce
