Subject: RE: Surface Commingling

apologize for the confusion.

. Yes, we want to amend PLC-142 to remove the Fred Turner Jr. 'B' Wells from the Warren McKee and Fred Turner Jr. 'A' Tank Battery.
 2. All production going into the Fred Turner Jr. 'B' Battery originates from Fred Turner Jr. 'B' wells. There is no other production going into that battery.
 3. The WMU Production header accounts for 6 wells which are not listed individually on the schematic, well no(s) 111, 112, 132, 41, 142, & 501. The Turner Production header accounts for 4 Fred Turner Jr. A wells, no(s) 5, 6, 8, 14. This brings the total number of wells to 21.

Again, I apologize for the confusion and if there is something I need to do to further clarify, please let me know. Thank you,

Subject: Surface Commingling

Carol,

After reviewing your latest application to amend PLC-142, I'm a bit confused. Please help me out. It seems to me that you want to amend PLC-142 to remove the Fred Turner Jr. "B" Wells No. 1, 2, 3, 4, 5 and 6 from the Warren McKee and Fred Turner Jr. "A" Tank Battery, and that production from these wells will now go to the Fred Turner Jr. "B" Tank Battery located in NE/4 SE/4 of Section 18. If this is correct, I will amend PLC-142 by taking out these wells.

Does all the production that goes into the Fred Turner Jr. "B" Tank Battery originate from Fred Turner Jr. "B" wells, or is there commingling of production from other leases at this battery? If so, is there a commingling order that governs this tank battery? A pool/lease commingling order or pool commingling order? If so, this order may have to be amended as well.

To add to my confusion is the fact that your schematic for the Warren McKee/Fred Turner Jr. "A" Tank Battery does not appear to show a complete list of the wells that are approved to go into this battery. Your schematic only shows 11 wells going into the battery, while Order No. PLC-142-8 approves commingling, excluding the Fred Turner Jr. "B" wells, of twenty-one (21) wells. Can you explain this situation to me?

Thanks for the help.
