Gentlemen:

The above referenced well is a Chacra/Dakota commingle. Order DHC-2000 was issued for the commingling. The following allocation formula is submitted for your approval:

Chacra -	30.08 % gas	0 % oil
Dakota -	69.92 % gas	100 % oil

These percentages are based on historic production from the Chacra and Dakota.

Please let me know if you have any questions.

Sincerely,
