Describe Area Affected and Cleanup Action Taken.\*

SESI was contacted for assessment. Area will be delineated and an appropriate work plan submitted upon results.

I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination or the environment. In addition, NMOCD acceptance of a C-141 report does not constitute approval of federal, state, or local laws and/or regulations.
