Ok, sounds good. I will confirm the surface ownership on my end also. Thanks

Matthew,

Based on the coordinate location that you have provided on your submitted C-141 form this release site occurred upon BLM administered surface according to my records. Being as such I have included Shelly Tucker of the BLM Carlsbad District Office on your submission and I also dropped into this email the SDS sheet you provided regarding the pipeline cleaning chemical that was involved in this release for her to reference. If for any reason my records of surface ownership are incorrect I will let Shelly make that determination.

Thank you,
