Dear Mr. Stogner:

Enclosed are copies of unorthodox location application letters, offset operator waiver letters and certified mail return receipts for the unorthodox location applications recently submitted on the State "A" A/C 2 well No. 57, and the State "A" A/C 3 well no. 8. Also enclosed is a copy of Administrative Order NSL-2730 along with a copy of the application to amend the above order as a result of Division Order R-9073. Copies of certified mail return receipts pertaining to this application have also been enclosed.

The above three wells are currently listed as "nc" in the most recent gas proration schedule in the Jalmat Field and I believe this is due to our failure to provide you with the complete information needed in order to process the documents necessary to obtain allowables for these wells.

I apologize for any inconvenience this has caused you and if you have any questions or need any further information please call Jay Cherski at 915-687-1664. Thank you for your consideration in this manner.

Sincerely,

Jay Cherski
