ADMINISTRATIVE ORDER DHC-3753

COG Operating LLC  
550 W. Texas  
Suite 1300  
Midland, TX 79701

Attention: Jerry Sherrell (agent)

Cholla State Well No. 1  
API No. 30-025-37788  
Unit N, Section 4, Township 17 South, Range 33 East, NMPM,  
Lea County, New Mexico  
Wildcat-Paddock and  
Maljamar-GB SA (43329) Pools

Dear Mr. Sherrell:

Reference is made to your recent application on behalf of COG Operating LLC for an exception to Rule 303.A. of the Division Rules and Regulations to permit the subject well to commingle production from the subject pools in the wellbore. It appearing that the well qualifies for approval for such exception pursuant to the provisions of Rule 303.C., and that reservoir damage or waste will not result from downhole commingling, and correlative rights will not be violated thereby, you are hereby authorized to commingle the production as described above and any Division Orders which authorized the dual completion or otherwise required separation of the zones is hereby placed in abeyance.

In accordance with Division 303C.(1)(f), the production attributed to any commingled pool within this well shall not exceed the allowable applicable to that pool.

Assignment of allowable to the well and allocation of production from the well shall be done after testing of all intervals to be commingled. **The applicant shall submit the allocation percentages to the Division within 60 days following completion of this well or workover.**

REMARKS: The operator shall notify the Hobbs District Office of the Division upon implementation of commingling operations.

Pursuant to Rule 303C(2), the commingling authority granted herein may be rescinded by the Division Director if conservation is not being best served by such commingling.

Approved at Santa Fe, New Mexico on July 25, 2006.
