SANTA FE, NM 87505

RE: Incorrect API Number, Champlin #8

Attached copy of Administrative Order DHC-2711 was received by us from the OCD in Aztec informing us that the API Number is incorrect and should be 30-039-06895 for our Champlin No. 8 well. Also, that an amended report is required.

When this is accomplished, please mail us a copy at address indicated on original.
