Re: Form C-107-A  
Williams No. 1

Dear Mr. Afghahi:

This letter acknowledges the receipt of your administrative application dated August 15, 2001, to downhole commingle the Queen and San Andres formations in the Williams Well No. 1 located in Section 11, Township 18 South, Range 38 East, NMPM, Lea County, New Mexico. The Division received your application on August 17, 2001.

Our preliminary review indicates that the information provided in the application is not sufficient to process the administrative order. The following information is necessary:

- a) **Administrative Application Checklist (Enclosed)**
- b) **Production Allocation---Please show how the production rates for the Queen and San Andres formations were determined (i.e. average, one day test, etc.)**

Since the submitted information is insufficient to review, the application was **Ruled Incomplete** on August 22, 2001. Please submit the above stated information by August 29, 2001.

The Division cannot proceed with your application until the required information is submitted. Upon receipt, the division will continue to process your application. The additional information can be faxed, or mailed to the Division. If the necessary information is not submitted, your application will be returned to you.

If you have any questions, please contact me in Santa Fe, at (505) 476-3466.

Sincerely,

David Catanach  
Petroleum Engineer
