Administrative Order NSL-11

Gentlemen:

*NE Blanco # 24*

Reference is made to your application for approval of a non-standard location for a well to be located 420 feet from the South line and 2515 feet from the East line of Section 17, Township 30 North, Range 7 West, Rio Arriba County, New Mexico.

It is our understanding that the request for such exception is based upon the extreme topographic relief in the SW/4 SE/4 of said Section 17.

By authority granted me under the provisions of Order R-110, Section 1 of the Special Rules and Regulations for the Blanco-Mesaverde Gas Pool, you are hereby granted an exception to the normal spacing requirements for a well to be drilled in Section 17, Township 30 North, Range 7 West.

Very truly yours,

W. B. Macey  
Secretary-Director
