Attention: Mr. E. J. Coel

Gentlemen:

Administrative Order NSL-16

Reference is made to your application for approval of an unorthodox well location in the South Blanco-Pictured Cliffs Pool for your Schwerdtfeger Well No. 2-A, to be located 800 feet from the North line and 2200 feet from the East line of Section 21, Township 27 North, Range 8 West, NMPM, San Juan County, New Mexico.

It is our understanding that the request for such exception is based upon the extreme topographic conditions in this area.

By the authority granted me under the provisions of Rule 104, paragraph (f), you are hereby granted an exception to the normal spacing requirements for the above-described unorthodox well location.

Very truly yours,

W. B. Macey
