Attention: Mr. Don Angle

Administrative Order NSL-26

Gentlemen:

Reference is made to your application for approval of a non-standard well location for your State Well No. 2, to be located 430 feet from the North line and 2010 feet from the East line of Section 36, Township 16 South, Range 26 East, a wildcat in Eddy County, New Mexico.

It is our understanding that the request for such exception is based upon topographic and irrigated lands in the area.

Inasmuch as you enclosed waivers from the offset operator agreeing to the location of the proposed non-standard well location, it is possible for immediate approval to be granted. Therefore, by authority granted me under provisions of Rule 104 (f) of the Rules and Regulation, you are hereby granted an exception to Rule 104 (a) for the above-described unorthodox well location.

Very truly yours,

A. L. Porter, Jr.
Acting Secretary-Director
