Attention: Mr. T. A. Dugan

Administrative Order NSL-65

Gentlemen:

Reference is made to your application for approval of an unorthodox well location for your Indian "L" Well No. 2 to be located 2040 feet from the North line and 2130 feet from the East line and in the SW/4 NE/4 of Section 16, Township 28 North, Range 3 West, Blanco Mesaverde Pool, Rio Arriba County, New Mexico.

It is our understanding that this unorthodox well location is based upon extreme topographic conditions in the NE/4 of said section.

Inasmuch as you are the only offset operator, it is possible for immediate approval to be granted. Therefore, by authority granted me under provisions of Section 1 (c) of the Special Rules and Regulations of the Blanco Mesaverde Pool, as set forth in Order R-110 as amended by Order R-397, you are hereby granted an exception to Section 1 (c) of Order R-110 as amended by Order R-397 for the above described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey.

Very truly yours,

A. L. PORTER, JR.
Secretary-Director
