405½ West Broadway
Farmington, New Mexico

Attention: Mr. T. A. Dugan

Administrative Order NSL-66

Gentlemen:

Reference is made to your application for approval of an unorthodox well location for your Indian "O" Well No. 1 to be located 610 feet from the North line and 530 feet from the East line and in the NE $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 32, Township 28 North, Range 3 West, Blanco Mesaverde Pool, Rio Arriba County, New Mexico.

It is our understanding that this unorthodox well location is based upon extreme topographic conditions in the NE $\frac{1}{4}$ of said section.

Inasmuch as you are the only offset operator, it is possible for immediate approval to be granted. Therefore, by authority granted me under provisions of Section 1 (c) of the Special Rules and Regulations of the Blanco Mesaverde Pool, as set forth in Order R-110 as amended by Order R-397 you are hereby granted an exception to Section 1 (c) of Order R-110 as amended by Order R-397 for the above described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey.

Very truly yours,

A. L. PORTER, JR.
Secretary-Director
