El Paso Natural Gas Company  
P. O. Box 997  
Farmington, New Mexico

Administrative Order NSL-105

Attention: Mr. E. J. Coel

Gentlemen:

Reference is made to your application for approval of an unorthodox well location for your Schwerdtfeger Well No. 10-A (PM) to be located 1180 feet from the South line and 475 feet from the West line and in the NW/4 SW/4 of Section 31, Township 28 North, Range 8 West, Blanco Mesaverde Gas Pool, San Juan County, New Mexico.

It is our understanding that this unorthodox well location is based upon extreme topographic conditions in the SW/4 of said Section.

Inasmuch as you furnished waivers from the offset operators, it is possible for immediate approval to be granted. Therefore, by authority granted me under provisions of Section 1 (c) of the Special Rules and Regulations of the Blanco Mesaverde Gas Pool, as set forth in Order R-110 as amended by Order R-397, you are hereby granted an exception to Section 1 (c) of Order R-110 as amended by Order R-397 for the above described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey.

Very truly yours,

A. L. PORTER, JR.  
Secretary-Director
