Mr. A. L. Porter, Jr.  
Secretary-Director  
Oil Conservation Commission  
P.O. Box 871  
Santa Fe, New Mexico

Dear Mr. Porter:

As Operator of the Northeast Blanco Unit, we request permission to drill an unorthodox well, to be located 2370' from the South line and 1410' from the West line of Section 35, T 31 N, R 7 W, San Juan County, New Mexico. We want to drill Well No. 56-35 on this location.

Because of the anticipated water level of the Navajo Dam Project, it is necessary to change from the normal location for this well.

Section 35-31N-7W is a part of the Northeast Blanco Unit and all leases within a 790' radius of the unorthodox location, as requested, is jointly controlled by the Northeast Blanco Unit participants.

We enclose a location plat of the requested location.

Very truly yours,

BLACKWOOD & NICHOLS COMPANY
