Dear Mr. Porter:

As Operator of the Northeast Blanco Unit, we request permission to drill an unorthodox well, to be located 1100' from the North line and 265' from the East line of Section 34, T 31N, R 7 W, San Juan County, New Mexico. We want to drill Well No. 58-34 on this location.

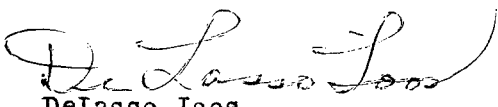

Because of the anticipated water level of the Navajo Project, it is necessary to change from the normal location for this well.

Section 34-31N-7W is a part of the Northeast Blanco Unit and all leases within a 790' radius of the unorthodox location, as requested, is jointly controlled by the Northeast Blanco Unit participants.

We enclose a location plat of the requested location.

Very truly yours,

BLACKWOOD & NICHOLS COMPANY
