Attention: Mr. T. A. Dugan

Administrative Order NSL-152

Gentlemen:

Reference is made to your application for approval of an unorthodox well location for your Delta Well No. 1 to be located 1984 feet from the South line and 768 feet from the West line and in the SW/4 of Section 30, Township 31 North, Range 13 West, undesignated Dakota Pool, San Juan County, New Mexico.

It is our understanding that this unorthodox well location is based upon extreme topographic conditions in the SW/4 of said section.

By authority granted me under provisions of Rule 104 (f) of the Commission's Rules and Regulations, you are hereby granted an exception to Rule 104 (b) 2 of the Commission's Rules and Regulations for the above described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey if the well is located on land subject to the jurisdiction of the U. S. Geological Survey.

Very truly yours,
