Dear Mr. Porter:

Delta Oil Co. of Utah request administrative approval to drill their Delta #1 on an unorthodox location. The Delta #1 is located 768' FWL & 1984' FSL Sec 30, T 31 N, R 13 W, San Juan County, New Mexico.

The unorthodox location is requested because of the extreme topography in the area as indicated on the attached plate. We have also attached a receipt for registered mail advising Honolulu Oil Corporation the offset operator of our intentions to drill the Delta #1 as an unorthodox location.

Very truly yours,

T. A. Dugan
