Administrative Order NSL-171

Dear Sir:

Reference is made to your application for approval of an unorthodox well location for a wildcat well to be located 1658 feet from the South line and 1083 feet from the East line and in the NE/4 SE/4 of Section 4, Township 15 North, Range 12 East, San Miguel County, New Mexico.

It is our understanding that this unorthodox well location is based upon extreme topographic conditions in the NE/4 SE/4 of said section.

By authority granted me under provisions of Rule 104 (f) of the Commission Rules and Regulations, you are hereby granted an exception to Rule 104 (b) of the Commission Rules and Regulations for the above-described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey if the well is located on land subject to the jurisdiction of the U. S. Geological Survey.

Very truly yours,

A. L. PORTER, Jr.,
