

OIL CONSERVATION COMMISSION

P. O. BOX 871

SANTA FE, NEW MEXICO

February 6, 1959

**Humble Oil & Refining Company
Midland, Texas**

Attention: Mr. R. R. McCarty

Administrative Order NSL-178

Gentlemen:

Reference is made to your application for approval of an unorthodox well location for your State "V" Well No. 11 located 2080 feet from the South line and 2080 feet from the West line of Section 10, Township 21 South, Range 37 East, Tubb and Blinebry Gas Pools, Lea County, New Mexico.

It is our understanding that this unorthodox well location is occasioned by a recompletion of a well previously drilled to another horizon.

By authority granted me under provisions of Rule 3 of the Special Rules and Regulations for the Tubb Gas Pool, as set forth in Order R-586 and Rule 3 of the Special Rules and Regulations for the Blinebry Gas Pool, as set forth in Order R-610, you are hereby granted an exception to Rule 2 of Orders R-586 and R-610 for the above described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey if the well is located on land subject to the jurisdiction of the U. S. Geological Survey.

Very truly yours,

**A. L. PORTER, Jr.,
Secretary-Director**
