New Mexico Oil Conservation Commission
Mr. A. L. Porter, Secretary & Director
Box 871
Santa Fe, New Mexico

Dear Mr. Porter;

"Redfern & Herd" has staked their Largo Spur #1, 2160 feet from the south line and 1770 feet from the east line, Section 18, Township 24 North, Range 6 West, Rio Arriba County, New Mexico. It was necessary to place the proposed well on an unorthodox location because of the extreme topography to the immediate south in the nature of a large sandy arroyo and a high unexcessable mesa.

"Redfern & Herd" is requesting administrative approval to drill the Largo Spur #1 on the above unorthodox location. Attached is a plat showing the location and topography to the south. Also attached are copies of letters with registered mail receipts notifying all offset operators of the proposed unorthodox location.

Yours truly;

Thomas A. Dugan

Dear Mr. Germany:

This is to notify you as an offset operator that Redfern & Herd plans to drill their Large Spur #1 on an unorthodox location.

The well is staked 1770 feet from the east line and 2160 feet from the south line of Section 18, Township 24 North, Range 6 West, Rio Arriba County, New Mexico. The well was placed on an unorthodox location because of the extreme topography to the immediate south in the nature of a large sandy arroyo and a high unaccessable mesa.

Please notify Mr. A. L. Porter, New Mexico Oil Conservation Commission, Box 871, Santa Fe, New Mexico at your earliest convenience, if you do not object to the unorthodox location. Please notify Mr. John Redfern, Jr., Box 1747, Midland, Texas if you do object to the unorthodox location.

Yours truly:

T. A. Dugan

Dear Sir:

As an offset operator, I wish to advise that I have no objection to the unorthodox location staked by Redfern & Herd for their Largo Spur No. 1 Well in Section 18, T24N-R6W, Rio Arriba County, New Mexico.

Very truly yours,

E. B. Germany

Attention: Mr. A. L. Porter

Gentlemen:

El Paso Natural Gas Company is in receipt of a letter from Mr. T. A. Dugan pertaining to Redfern and Herd's application for unorthodox location for their Largo Spur No. 1 Well, Section 18, 24-N, 6-W, Rio Arriba County, New Mexico.

Please be advised that El Paso Natural Gas Company has no objection to the drilling of this well at a location 1,770 feet from the east line and 2,160 feet from the south line in said Section 18.

Yours very truly,

D. H. Rainey

Dear Mr. Porter:

Reference is made to the Redfern and Herd Largo Spur #1 well located in Section 18, T-24N, R-6W, Rio Arriba County, New Mexico. We have been advised that the above-captioned well has been staked on an unorthodox location due to a large sandy arroyo and an unaccessible area. For all concerned, we do not object to this unorthodox location.

Very truly yours,

V. R. Reese
