Attention: Mr. C. H. Samples

Administrative Order NSL 219

Gentlemen:

Reference is made to your application for approval of an unorthodox well location for your Marshall Unit No. 5 to be located 589 feet from the North line and 2051 feet from the West line of Section 34, Township 21 South, Range 37 East, Tubb Gas Pool, Lea County, New Mexico.

It is our understanding that this unorthodox well location is occasioned by the recompletion of a well previously drilled to another horizon.

By authority granted me under the provisions of Rule 3 of Order R-1670, you are hereby granted approval for the above-described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey if the well is located on land subject to the jurisdiction of the U. S. Geological Survey.

Very truly yours,

A. L. PORTER, Jr.,
