Attention: Mr. W. A. Shellshear

Administrative Order NSL-234

Gentlemen:

Reference is made to your application for approval of an unorthodox well location for your Eunice King Well No. 6, to be located 766 feet from the North line and 554 feet from the West line of Section 28, Township 21 South, Range 37 East, Eumont Gas Pool, Lea County, New Mexico.

It is our understanding that this unorthodox well location is occasioned by the recompletion of a well previously drilled to another horizon.

By authority granted me under provisions of Order No. R-1670, you are hereby granted approval for the above described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey if the well is located on land subject to the jurisdiction of the U. S. Geological Survey.

Very truly yours,

A. L. PORTER, Jr.,
